Guidance Department Important at AMS

Pictured here is an 8th grade developmental guidance group. Developmental guidance and counseling focuses on preventive help rather than crisis intervention. It takes into consideration the developmental takes of each age group of students and helps the individual work through the normal concerns of his/her particular stage of development. Consequently, at each grade level, there are different emphasis in the guidance and counseling program.

The opportunity to participate in a small group is offered to students at the 7th and 8th grade levels throughout the year. These groups promote decision-making, values clarification, self-awareness, and interpersonal relationships.

If you would like to know more about the middle school guidance and counseling program we invite you to call for an **appointment with the counselors.**

SALE? WHAT SALE? A rummage sale sponsored by Robert E. Lee Academy, that's what sale! When? Saturday, November 11, from 9 a.m. to 4 p.m. Where? Farmers National Bank, Triangle Plaza Branch. There is sure to be something you've been looking for at a really good price . . . like dress Bryan Wallace is modeling or maybe the wig or tennis dress Audra Doss has. Plan now to come by and browse for a while.

Transco Makes Gas Discovery

HOUSTON, TX - Oct. 30 - Transco Exploration Company has discovered gas at East Cameron Block 336, offshore Louisiana.

Six exploratory wells have been drilled on the block. Well number 4 was drilled to a total depth of 10,635 feet from the location 6,830 feet from the west line and 3,150 feet from the south line of the block. It tested gas at a rate of 9.3 million cubic feet per day on a 24/64" choke with a tubing pressure of 2,675 pounds through perforations from 6,955 feet to 7,045 feet. Well number 6, located 1,329 feet from the west line and 676 feet from the south line, has been drilled to a total depth of 9,850 feet. It tested gas at a rate of 7.5 million cubic feet per day and 200 barrels of condensate per day on an 18/64" choke with a tubing pressure of 4,580 pounds through perforations from 8,303 feet to 8,350 feet. Well number 6 is being tested in another zone to evaluate the possibility of additional reserves. One well was abandoned because of mechanical difficulties and three were not tested.

Plans now are being formulated to develop this property from a 12-slot platform.

East Cameron 336, located 112 miles from shore in 270 feet of water, was acquired in the November 1976 federal lease sale for a bonus of $32,870,000. Transco Exploration Company, a wholly owned subsidiary of Transco Companies, Inc., is operator with a 27.2% interest in the block. Other participants are Freeport Oil Company, a unit of Freeport Minerals Company, 25%; Louisiana Land and Exploration Company, 20% Pioneer Production Corporation, a wholly owned subsidiary of Pioneer Corporation, 8%; Energy Development Corporation, a wholly owned subsidiary of Public Service Electric and Gas Company, 5.9%; The Continental Group, Inc., 5.9%; Mesa Petroleum Co., 5%; and McMoRan Exploration Company, 3%.

HAPPINESS IS 4-H

By Frank H. Sweet
Extension Agent

4-H Share-the-Fun qualifying contests start next week beginning Monday, November 13, at AES after school. Share-the-fun provides many opportunities in addition to having a fun time and winning ribbons.

There is the chance to develop poise, gain confidence, learn to be good sports, learn to get along with others, develop individual talents and to enjoy yourself and the other 4-H'ers who take part.

All 4-H'ers are encouraged to take part in the Share-the-Fun program. Remember, the county show will be Thursday, November 30, at 7 p.m. at the ACHS auditorium.

* * *

The next meeting of the 4-H Soils Team will be Tuesday afternoon, November 14, at 3:30 p.m. in the Soil Conservation Service Office. All 4-H'ers interested in learning more about soils, their uses, and conservation practices should plan to attend.

* * *

We're having a time getting around to all the 4-H Wildlife Feed Patches for this year. We hope to try to finish these next week if possible. Some real good feed patches were planted this year and will provide good cover and feed for wildlife during the winter months.

* * *

Hunting season (small game) begins Monday with deer season the following Monday. Many young hunters will take to the woods for the first time. Please remember the safety rules for handling firearms. It's disturbing to note that over-half the hunting accidents in Virginia involve hunters under 20 years of age. Also, most injuries occur within 20 yards of the shooter and over ⅔ of all hunting accidents involve shotguns. Remember: Safety first when in the field.

* * *

Senior 4-H'ers who received the information surveys based on the 4-H All Star program should remember to turn those in to us by Friday of this week.

* * *

All Bike-A-Thon Riders who have not turned in their pledge money are reminded to do so as soon as possible. Pledges may be turned in at Travelers Inn Motel (Mrs. Janet Noble), Farmers National Bank (Mrs. Mary Alma Hudson), Fidelity American Bank (Mrs. June Chenault), or at the Extension Office.

FARMVILLE DISTRICT UNITED METHODIST WOMEN HELD MEETING

The Farmville District United Methodist Women (UMW) District officers and zone leaders met on Saturday, November 4, at the home of the Farmville District UMW President, Dr. Beatrice Bland, for the purpose of finalizing plans for their annual "Day Apart."

The theme for this year's "Day Apart" had been selected previously. It is "Behold I Make All Things New."

This special day will be observed in six of the seven zones as follows: Armstrong - Kennedy Zone at Crenshaw United Methodist Churc(UMC) on Wed., Dec. 6, 10:30 a.m., with Mrs. Hilton Hamlet, speaker; Lucy-Clyde Blanton Zone at Thomas Chapel UMC on Sun., Dec. 3, 3 p.m., with Miss Lucy-Clyde Banton, speaker; Sallie Carrell Zone on Sunday, Dec. 3, 3 p.m., place and speaker to be announced later; Mary Moore Zone at Smyrna UMC on Sun., Dec. 3, 2:30 p.m., with Mrs. Peter Vaughn, speaker; Charlotte Vaughn Zone at Halifax UMC on Sun., Dec. 3, 2:30 p.m., with Dr. Beatrice Bland, speaker; and Anne Wilkinson Zone at Charlotte Court House UMC on Sunday, Dec. 3, 2:30 p.m., with Mrs. Ralph Lamp, speaker.

The offering received at these "Day Apart" services will be used for mission work in Haiti Through the United Methodist Christian Overseas Relief (UMCOR).

This is the first time the "Day Apart" has been conducted within each zone. Previously it had been a District-wide event; however, since the Farmville District is geographically the largest district in the United Methodist Virginia Conference, having each Zone in charge of its own service will make the function available to more members at hte local church level.

Have those valuable papers laminated. Phone 352-8215. **The Times Virginian.**
